## ALL TIRED OUT

Hundreds More in Barre in the Same

Plight.  
Tired all the time;  
Weary and worn out night and day;  
Back aches; side aches;  
All on account of the kidneys.  
Must help them at their work.  
A Barre citizen shows you how:—  
W. W. McAuley, 187 Seminary street, Barre, Vt., says: "I took all kinds of medicine supposed to be good for kidney trouble, but did not find relief. The pain in my left kidney was severe, and I could not stoop to pick up anything without having sharp twinges in the small of my back. I was very restless and arose in the morning feeling tired and miserable. Damp weather always made me worse, and finally I became so bad off that I could only walk a short distance. It was then that I began using Doan's Kidney Pills, procured from E. A. Doan's drug store. They helped me from the first, relieving the backache and strengthening my kidneys. I used in all three boxes of Doan's Kidney Pills and can honestly say that I never took any other remedy that benefited me so greatly."

For sale by all dealers. Price 50 cents. Foster-McMillan Co., Buffalo, New York, sole agents for the United States.  
Remember the name—Doan's—and take no other.

## AMUSEMENT NOTES.

**"Paid In Full."**  
Probably the greatest interest will be manifested by our local patrons of first class drama, when the great Eugene Walter success, "Paid In Full," begins its engagement at the opera house on next Wednesday night, Sept. 14.

The attraction at the Barre opera house for one night only, Friday, Sept. 16, will be a drama of romance, "Beverly" by George Barr McCutcheon. The book has been so widely read since it was first issued, that it seems almost superfluous to speak of it here. The play also has been the recipient of the most flattering praise from the press and public. The dramatization has been most skilfully and ingeniously carried out by Mr. Robert M. Baker, which shows the work of a master craftsman.

"Beverly" is a delightful romance of laughter and love, with a happy blending of both of the most successful elements, both as book and a play may be attributed to these very human qualities, seems to be the verdict of press and public.

GAS, INDIGESTION  
AND HEARTBURN GO

Out-of-order Stomachs Feel Fine Five

Minutes After Taking a Little

Diapiesin, Which Is Absolutely

Harmless.

The question as to how long you are going to continue a sufferer from indigestion, dyspepsia or out-of-order stomach is merely a matter of how soon you begin taking some Diapiesin.

If your stomach is lacking in digestive power, why not help the stomach to do its work, not with drastic drugs, but a re-enforcement of digestive agents, such as are naturally at work in the stomach.

People with weak stomachs should take a little Diapiesin occasionally, and there will be no more indigestion, no feeling like a lump of lead in the stomach, no heartburn, sour risings, gas on stomach or belching of undigested food, headaches, dizziness or sick stomach, and, besides, what you eat will not ferment and poison your breath with nauseous odors. All these symptoms resulting from a sour, out-of-order stomach and dyspepsia are generally relieved in five minutes after taking a little Diapiesin.

Go to your druggist and get a 50-cent case of Pape's Diapiesin now, and you will always go to the table with a hearty appetite, and what you eat will taste good, because your stomach and intestines will be clean and fresh, and you will know there are not going to be any more bad nights and miserable days for you. They freshen you and make you feel like life is worth living.
